SUPPORTING BINGLEWOOD

A heartfelt thank you for the dues payments and contributions received so far this year. You are supporting the very near and real potential of being able to, for example, fund a small neighborhood project annually. You help us have a voice that is heard and taken seriously at all levels of Spring Branch, the City of Houston, and at Harris County. A Treasurer's report will be presented at the upcoming September 14th Civic club meeting at St. Jerome.

thank you

SEPTEMBER COMMUNITY MEETING GUEST SPEAKER:

We would like to welcome Dr. Jennifer Blaine, the new Spring Branch ISD Superintendent, to our September 14th Civic Club meeting. We are thankful for Dr. Blaine visiting us, just in time for "back-to-school". This session will be informal and informative, and we hope to see new Binglewood families participate.

BINGLEWOOD AREA - HPD CONNECT

Last year, we were lucky to have HPD Commander Fernandez visit our Civic Club meeting. As a follow-up, he has graciously offered to speak with us on Tuesday, October 1st at 6:30 PM at the new Parish Hall in Room 104 at St. Jerome (note that this meeting is not in the same building/room as our monthly meetings). The new Parish Hall is located off Hollister. We will have all his attention focused on Binglewood. Let's use this opportunity to increase our awareness and knowledge regarding security in Binglewood and in our immediate community.

CONSTRUCTION UPDATE

Paving and drainage construction activity during September will be focused on Mona Lee and Sonnevile to Hollister, and separately, McKean out to Clay. Significant other work remaining includes the outfalls to Brickhouse Gully.

Work on the Park is progressing – we are hopeful for November. Please submit questions/concerns to construction@binglewood.com OR contact the NEW City Inspector, Ms. Wanda Kegley, at her email: Wanda.Kegley@houstontx.gov (preferred) or if the concern is an emergency you may contact the inspector on her cell:

281-796-0795

Return calls may be delayed pending Wanda's location.

MONTHLY MEETING PRIZE DONATIONS

We thank in advance (wink wink) Ann Cowper for organizing what we think are going to continue to be fun raffles at the monthly meetings! We have had gifts from: Nice Winery, Premier Auto Car Wash, Goal Zero, Reliant Energy, Party Rush, and Chavez Mexican Café!

We welcome ideas about how to stay connected with our local businesses! Like maybe a Binglewood Civic Club membership card that got you discounts at different vendors?

SPEED CUSHIONS - ACTION

Dedicated Binglewood neighbors and volunteers have worked hard to get our place in line with the Neighborhood Traffic Management Program and the opportunity for speed cushions in Binglewood. As discussed in meetings, you should have received Public Notice "Binglewood – 6718-17" in your mail which is an invitation to comment on locations proposed in the area for speed cushions. We encourage your thinking about the greater good of Binglewood and its future, even without us.

If not mailed, send your comments to the CoH Public Works Neighborhood Traffic Management Program at http://popms.houstontx.gov/ntmp/rptFeedback_Pub

NATIONAL NIGHT OUT

Tuesday, October 8th

We know for a fact there are some fun get togethers throughout the neighborhood. Let us know at contact@binglewood.com if you are hosting!

OCTOBER COMMUNITY MEETING SPEAKER -

We are planning for a presentation on the proposed Houston-Dallas Train (with station near us!). Can't promise, but that's the plan...

AROUND BINGLEWOOD

Thank you for your patience during the recent water outage and partial street collapse at Sonnevile/Hollister and other parts of Binglewood a couple of weekends ago.

LASTLY, IT'S STILL HURRICANE SEASON...DO YOU HAVE A PLAN?

Look around...could you and yours manage for three days with no assistance or power or transportation? Think about your neighbors too please – would you be able to reach each other in an emergency?
