BINGLEWOOD CIVIC CLUB MEETING AGENDA

Veterans Day

We would like to extend our warmest appreciation for all the Veterans in the Binglewood community. Please join us at the November civic club to honor those who have sacrificed so much.

Curbs and Gutters Project

Public Works and Engineering (PWE) is scheduled to discuss the project in our December meeting. In the meantime, the civic club would like to start aggregating those questions so that we can maximize our time with PWE in December. If you have questions, please let us know what they are.

Recent Increase in Crime

As a neighborhood, we need to stay vigilante and report any incidents that we see. The COH is seeing an uptick in crime and unfortunately, that's impacting the Binglewood community. To get the latest crime reports, please visit www.spotcrime.com on your computer or smartphone.

We Need a Few Good Volunteers!

We are looking for volunteers to help with restarting the Citizen on Patrol (COP) program. Please reach out to us if you wish to volunteer for the program or any other action item.

In Memoriam

Condolences for the family of Frank Carr who recently passed away. Frank is a Veteran and a longterm resident of Binglewood. He and his family has been very supportive of the Binglewood Civic Club.

Get two different colored mini pumpkins and set up a tic tac toe board

DIY TWISTER

Make your own pumpkin twister game

ARCHITECTURAL COMMITTEE

The Architectural Committee meets on a bi-weekly basis to discuss ongoing and future home improvement projects. This is a voluntary committee that considers the best interest of the community as a whole in regards to making any decisions on requests for exterior renovations and improvements such as: roof replacement, painting, concrete work (walkways/driveways), fencing, etc.

Some tips to consider prior to submitting an architectural approval request:

- Be familiar with the bylaws and deed restrictions in your section
- Be aware that majority of the Binglewood community is in a 100-year flood plan.
- Please contact the Civic Club prior to applying for any city permits.
- When submitting an architectural approval include all drawings and designs.
- The architectural committee typically makes a decision within 30-days.
- All forms can be found at www.binglewood.org.
- For additional details, contact@binglewood.org
