**PRESIDENT'S MESSAGE**

Why do *you* live in Binglewood? It's a question I'm sure you have been asked before. For me, it was always the trees, the ranch-style homes with beautiful landscaping and the park in the middle of our neighborhood. If you like the same things about living in Binglewood, here's your a reminder--it takes work and a cadre of volunteers to keep our neighborhood looking good! We have a great team of officers and board members but it always takes more. Almost all of us started with an issue or problem we were having or seeing and wanted to fix. If you have an issue you want solved, consider volunteering to work on it. If you solve a problem for yourself, you have solved it for the rest of us!

How would you answer the question of why you live in Binglewood? What will you commit to in order to keep it that way?

Please report all neighborhood issues to your Civic Club at [contact@binglewood.com](mailto:contact@binglewood.com) so we can investigate and handle. If we don't know about a problem, we can't solve it! If we can't solve problems in our neighborhood, the things we love about Binglewood will disappear.
