#### Median Adoption & Landscaping with Mini-Mural

Plan is to landscape the median cap up to the tree and add a minimural on the traffic box

Process for Speed Humps under the city's Neighborhood Traffic Management Program (NTMP).

- <u>Submit a Request</u>: Begin by submitting a written request to the Houston Public Works Department. This can typically be done online through the city's official website or by contacting the department directly.
- <u>Petition Process</u>: Once your request is received, the city will provide you with a petition form. You'll need to gather signatures from a majority of the residents on your street, indicating their support for the speed humps.
- <u>Traffic Study</u>: After submitting the completed petition, the city will conduct a traffic study to assess factors such as traffic volume, speed, and accident history to determine if speed humps are warranted.
- <u>Approval and Installation</u>: If the study supports the need for speed humps and all criteria are met, the city will approve the installation. The process from request to installation can take several months, depending on various factors.

#### Speed Humps

Speed Humps-Where do we need them?

Based on your requests and our observations:

• Theysen at Laverne (before Stop sign) Currently there is only one speed hump on all of Theysen located between 8939/8942 Theysen.

# Drainage for Entire Section Six?

- This is the only drainage outflow pipe for Section Six which was not apart of the 2019 drainage project.
- We need the capacity increased.
- We already have a backflow preventer under the bridge at Brickhouse Gully at Hollister.

## Help Shape Large-Scale Flood Reduction Strategies for Harris County

#### Join upcoming public meetings on flooding and be part of transformational solutions

Flooding impacts us all, and now is your chance to make a difference. The Flood Control District invites you to participate in a series of public meetings this summer for a major effort called the Solutions for Advancing Floodplain Evaluation and Resilience Study (SAFER Study). This landmark effort, conducted in coordination with the U.S. Army Corps of Engineers (USACE), aims to identify large-scale ways to reduce flood risk in Harris County.

#### YOUR VOICE MATTERS

Your input is essential to shaping effective, community-focused solutions. Get involved and share your thoughts:

- · Attend one of the community meetings (eight in-person and two virtual)
- · Submit a comment or sign up for updates on our website

#### Public Meeting Schedule

Public meetings will be held through August 2025. To accommodate our diverse community, meeting materials and interpretation services will be available in Spanish, Vietnamese, and Mandarin.

#### In-Person Meetings

The in-person meetings are formatted as an open house, meaning you can drop by any time during the hours of the meeting. You can speak one-on-one with SAFER Study team members, view a variety of exhibits, and provide input that will guide the study effort.

#### In-Person Meeting Schedule

Benefits of Mandatory Dues

• Patrol or Cameras - Residents will get to decide if the mandatory dues go toward hiring an hourly security patrol on different days and different hours in THAT SECTION ONLY OR installing two or more Flock license plate-reader cameras.

## Flock Security Cameras

#### Costs:

- Cameras are \$2,500 each per year- twoyear minimum (reduced cost for nonprofits).
- Choice of inbound or outbound.
- All cameras catch portions of opposite view so we may want to limit to major entrances for crime. Focus is on back of vehicle license plate but can see front as well.
- \$500 deductible by Civic Association if camera, pole, etc. is damaged (shot at, etc.). Flock will repair/replace.
- Inbound and outbound at same location would cost \$4,750 instead of \$5,000 total for two cameras.

### Suggested Locations:

- Pitner
- Colleen
- Near/around the park

## Security Patrol

- National Security Service guardstogo.com
- Minimum is 6 hours at \$35 per hour but will agree to 4 hours if we agree to use them for 4 days per week. We can pick the times and days of the week. We don't have to pick the same time and days every week! (\$560/week)
- More flexibility than with constable program. We can cancel at any time.
- Have <u>unarmed</u> patrols in marked vehicles to provide a deterrence.
- Security patrols are able to handle anything s/he sees and secure the scene and call HPD.

Also have armed vehicle patrols for extra cost. The officers are not allowed to carry licensed guns unless they're part of the contract.

- Will patrol park as well as just certain blocks in mandatory dues sections.
- The marked patrol cars look like normal black SUVs with the security logo on the side of the vehicle.
- The security personnel wear uniforms.
- We would be provided with signage in the section to publicize our security patrol.

## Amending Deed Restrictions

What if I want to amend the Deed Restrictions in my Section?

Each Section that wants to amend its Deed Restrictions must form a Petition Committee of 3 people

Let us know if you want to do this in your Section and we will follow through with you to get it done!

The First Amendment to the Deed Restrictions for all Sections 1 through 5 have to all be the same under Texas law

We will need 60% of the total lots in a Section to agree

## Establish a Tax-Deductible Foundation

### What do we want to do?

- We want to form a separate 501(c)3 charitable foundation so donations—not dues—are tax deductible called, "Binglewood Neighborhood Improvement Foundation, Inc."
- BCA is currently a 501(c)4
  non-profit corporation and a
  Property Owners Association
  (POA) under Texas law and
  donations are NOT tax
  deductible.

## Why are we considering this?

- Mandatory dues are NOT deductible BUT all other donations would be on your taxes each year
- We would also be eligible for grants and discounts from companies, vendors, etc.
- We could spend the money on any neighborhood improvement projects we want such as splash pads for the park or neighborhood signs or anything else we agree on as a community

## Establish a Tax-Deductible Foundation We need You!

- If you support this idea, please let us know if you want to serve as a Board Member or officer of the Foundation
- Meetings would be held only every 3 months or so
- The Board would decide how to collect and spend the money
- We need at least 3 Board Members and a President, Treasurer and Secretary
